

MyCarrierPortal

SIMPLIFYING IDENTITY VERIFICATION
FOR BROKERS AND SHIPPERS

D1.

THE PROBLEM

Every day, brokers and shippers face the daunting task of verifying carrier identities. This process is often cumbersome, time-consuming, and fraught with security risks. Identity verification challenges can lead to delays, increased costs, and potential fraud, creating significant tension and uncertainty in the logistics industry.

02.

THE
SOLUTION

Introducing MyCarrierPortal, a one-stop-shop platform designed to simplify and secure the carrier identity verification process. Our advanced technology ensures hassle-free and efficient identity management, giving brokers and shippers peace of mind and saving them valuable time and resources.

05.

COMPETITIVE LANDSCAPE AND POTENTIAL RISKS

While there are other identity verification solutions available, MyCarrierPortal stands out due to its comprehensive approach and multi-level security features. However, potential risks include:

- Technological advancements by competitors
- Cybersecurity threats
- Adoption resistance from traditional market players Our ongoing innovation and commitment to security will help us navigate these challenges and seize opportunities for growth.

04.

MARKET

The logistics and transportation industry is vast and growing, with brokers and shippers constantly seeking reliable solutions for identity verification. Our target market includes:

- Logistics companies
- Freight brokers
- Shippers By addressing their critical need for secure and efficient identity verification, MyCarrierPortal stands to benefit a large and expanding customer base.

03.

PRODUCT FEATURES

- 1. Multi-Level Security:** Our platform offers multi-level security features to protect your sensitive data. With MyCarrierPortal, your information is safe and secure.
- 2. Identity Verification:** Our cutting-edge technology makes the carrier identity process easy and hassle-free. Manage all your verification needs in one place.
- 3. Easy to Operate:** MyCarrierPortal is designed to be user-friendly with an intuitive interface, simplifying the management of verification needs. Our customer support team is always available to assist you.

06.

REVENUE AND OPERATING MODEL

Our revenue model is based on a subscription service, offering tiered pricing plans to accommodate different business sizes and needs. We also provide customized solutions for larger enterprises. By continuously enhancing our platform and expanding our customer base, we aim to achieve sustainable growth and profitability.

07.

TRACTION

Since our launch, MyCarrierPortal has:

- Successfully onboarded X number of clients
- Processed X number of verifications
- Achieved a customer satisfaction rate of X% Our growing user base and positive feedback demonstrate our ability to execute and deliver value.

08.

PROJECTIONS

In the next five years, we anticipate:

- Expanding our market share by X%
- Generating annual revenue of \$X million
- Increasing our customer base to X users Our strategic plan and commitment to excellence will drive us towards these ambitious goals.

09.
